USER MANUAL

OF

A G E N D A R P R O

This manual is intuitive as ours softwares, is enough to observe the images to understand as to use best of and the more efficient form. The screens follow the logical order of the presentation them tools in the interface of each software.

AGENDAR PRO

Was projected to integrate all the small tools that come in its Palm with more interaction, tools and resources in one alone program. The access the information continues separately to facilitate the use, or either you it will separately have access the telephones of the agenda and thus for ahead alone that in one it programs much more powerful.

Security

Copies all the information of the tools that come in its Palm and organize them in Agendar Pro. Apague all the important information that they were in the tools of the Palm (agenda, addresses etc), leaving less important. Thus if its Palm will be had access by Bluetooth and to try to copy its important data will not obtain. From now on each new information adds direct in Agendar Pro.

Descriptive

Suite description of 11 programs integrated in an only interface congregating in one only programs the agenda, the addresses the tasks, the notations and we memos it of the Palm, of safe form (since it still cannot be copied or be deletado by virus or infra-red ray or bluetooth) to organize Contacts, commitments, tasks, telephones, e-mails. Moreover it still offers tools to organize Projects, Goals, Ideas, Sites, Reminders with sonorous and visual resource of acknowledgment and Calendar. In English.

1.9 - PALM OS 3.5 or superior (ram 196 KB)

Instalation

Installation If you received the program for email, are enough to unpack zip in the work area and to give a double click in the archive Set **agendarPro.prc** the tool of installation of its Palm will go to open presenting the archive to be synchronized, synchronizes and ready or in the next synchronization it will be installed. If you he bought the compact disc is enough to use the installer or to have access for the Windows Explorer the directories, to give a double click in the archive Set **agendarPro.prc**, the tool of installation of its Palm will go to open presenting the archive to be synchronized, synchronizes and ready or in the next synchronization it will be installed.

You he will recognize it for icon to the side.

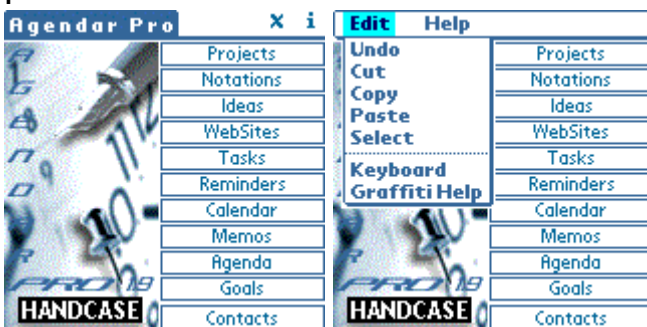

Inicial Interface

You choose the tool Here that she desires to use.

Suggestion:

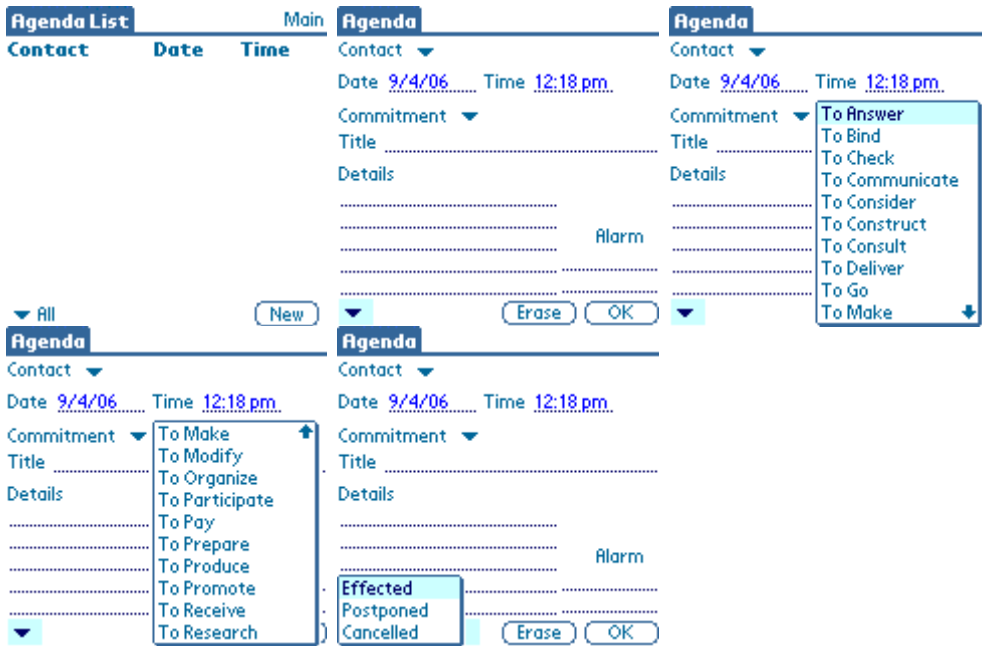

It feeds its Set appointments first Pro Acrescente the categories that have tie with the tool Projects. In the sequência it adds the contacts that will be available for some tools. When adding contacts will be enough the name, therefore it will be available for other tools as the Agenda where he will be enough to choose the contact and to define the commitment. The complementary information as address and email you will go to insert in the tool addresses will be there that it will have access of fast form a contact to telephone for example.

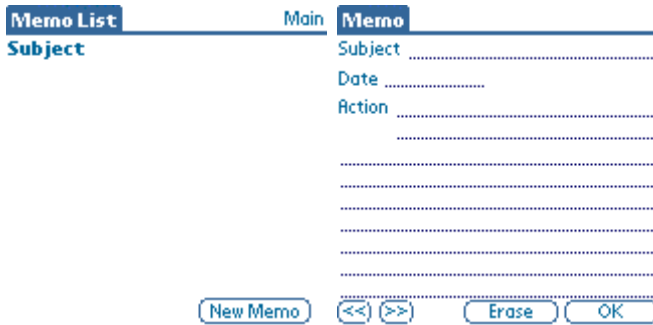

Menu standard, is enough to copy of the other tools and necklace in Agendar Pro information and turns.

Here you add its contacts (Names). Here it appears the relation of contacts (Names). Here you organize and have access fast the telephones and information of its contacts.

Here you organize its commitments.

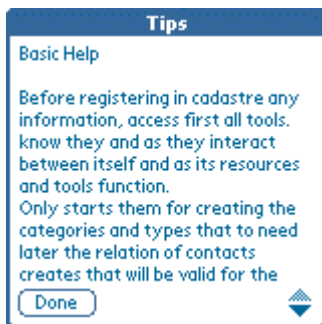

Here you prepare and organize its you memos.

Here you have the annual calendar, month the month in two screens. To have access the following semester he is enough to touch in the screen. In this version add Alarm in calendar.

Comment: To each December month you will receive for email the update from its calendar.
