CHECKLISTER USER MANUAL

This manual is intuitive as our software, is enough to observe the images to understand as to use best of and the more efficient form. The screens follow the logical order of the presentation them tools in the interface of each software.

Descriptive

Utility that helps you organize your tasks and priorities in lists and categories. 10 tools are listed, organized as you want. Each topic offers a list 2 lines to describe, making the more detailed list. All with tickers. It also offers you the ability to go to the memopad, To Do, Datebook and Address Book for example, and return straight to the checklist, thereby helping to copy and paste from one to another easily.

1.0 - PALM OS 3.5 or superior (ram 143 KB)

Install

Just unpacking the zip on the desktop and give a double click the file **Checklister_eng.prc** the tool installation of your Palm will open showing the file being synchronized, synchronize and ready.

You recognize by the icon on the side.

Initial Interface

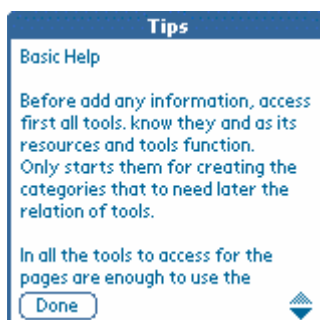

Here you choose which checklister, you configured and you can add types list.

Tips

Creating categories: create all kinds of categories: shopping, meeting, birthday, medical consultation, purchase of medication, date of evidence, flight, meeting, happy hour and all you imagine.

Use of the Checklister: set such that the checklister is to purchase 1 then only select the drop down menu of categories: shopping, then click on the icon again to create the next list and so on. Set Checklister 2 then the activity to another and so on.

Here you access the icon (i) at the top of the initial screen the basic help.

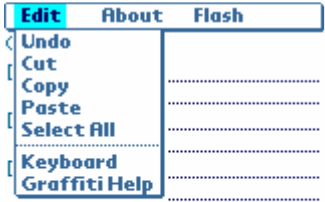

Add Category Main

Add the whole type of Categories.
They will serve for all the tools.
Eg Purchases, Tasks, For Receiving,
For Doing, For Sending, For Giving,
To organize, to Verify, Goals, Lists,
Activities in general of the day etc...

Category
|.....

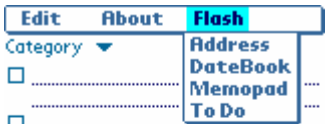

Here you add all types of category.

.....

Here you use standard menu to copy and paste information between the CHECKLISTER and tools of the Palm (memopad, To Do, Address).

.....

Here you access the tools of the standard Palm and returns directly to the CHECKLISTER.
[Example: You're in Checklist 1 and want to copy some information from the Palm memopad, simply access via the menu above, copy the information and click the menu of the Palm applications, the CHECKLISTER again appear, just paste it anywhere and ready.](#)

In the screens below you see how everything is simple, fast and plan everything that needs to be listed. List is 10, and each item of the list has 2 lines and a marker for each item.
