## HANDDIC PRO USER MANUAL

This manual is intuitive as ours softwares, is enough to observe the images to understand as to use best of and the more efficient form. The screens follow the logical order of the presentation them tools in the interface of each software.

### HandDic Pro

Program that helps to create dictionary, for consultation with update possibility. It offers a tool of research to search words of easy and fast form. For Palm colored or black and white. Structuralized in Word, Meaning and Synonymous.

#### 1.0 - PALM OS 3.5 or superior (ram 102 KB)

#### Instalation

Installation If you received the program for email, are enough to unpack zip in the work area and to give a double click in the archive Set **handdicpro.prc** the tool of installation of its Palm will go to open presenting the archive to be synchronized, synchronizes and ready or in the next synchronization it will be installed. If you he bought the compact disc is enough to use the installer or to have access for the Windows Explorer the directories, to give a double click in the archive Set **handdicpro.prc**, the tool of installation of its Palm will go to open presenting the archive to be synchronized, synchronizes and ready or in the next synchronization it will be installed.

You he will recognize it for icon to the side.

#### Initial Interface

Here you have the interface where visualizes word list each that it registered in cadastre. He will be able to only make research in words registered in cadastre typing the first letters of word. The search is exclusively for word.

Here you can copy and paste with the use of the suspended menus. Example: To copy of the Memos item that it edited in the Memos of PalmDesktop and vice versa. In the second screen you see the menu suspended flash of direct access fast e the standard tools of the Palm. Useful to go until memopad and to come back direct HandDicPro when it will be copying and paste.

In the screens above you go adding all the type of information the word referring that this registering in cadastre. To make searches he is enough to write the word.
