RANKING USER MANUAL

This manual is intuitive as our software, is enough to observe the images to understand as to use best of and the more efficient form. The screens follow the logical order of the presentation them tools in the interface of each software.

Descriptive

Software to all organize the type of information that can or must be listed and "ranking" in lists type top 10. Organizing itens of 1 the 10 for order of importance or relevance, professional, or of market. They are possible to command or to catalogue for Artist, Athlete, Brand, Celebrity, Championship, Competition, Match, Opinion, Personality, Product, Research, Service, Team, The More. Locatable for the search tool.

1.0 - PALM OS 3.5 or superior (ram 95 KB)

Install

Just unpacking the zip on the desktop and give a double click the file **Ranking_eng.prc** the tool installation of your Palm will open showing the file being synchronized, synchronize and ready.

You recognize by the icon on the side.

Initial Interface

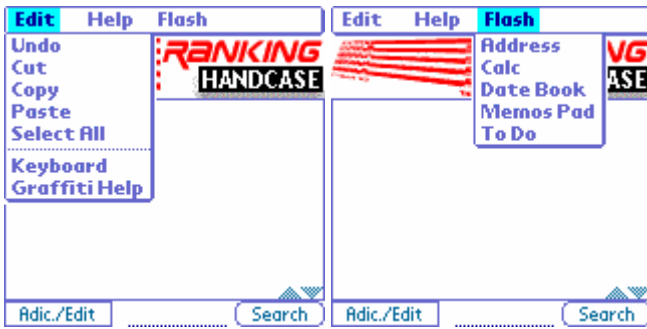

Here you have the interface which displays each item and where Ranking added.

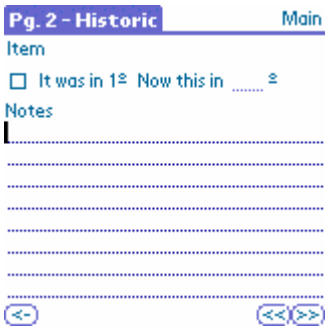

You can do research on items added. In this screen you see and search each item ranked added, including using the search tool to search only by item.

Here you add each item. Choose you want to organize the Ranking.

Here you can copy and paste using the dropdown menus. Example: Copy of items memopad who edited the memopad of PalmDesktop and vice versa. On the second screen you see the flash menu, fast and direct access to the tools of the standard Palm. Useful to go to the memopad and return directly to the Ranking when copying and pasting.

In this screen you adds history and adds notes.
